| Date of submission | |

Health conditions and technology

Accessible language: Where not specifically required for scientific/technical explanation, please use plain language, explaining acronyms and other non-lay terms.

1. Describe any sources you used to gather information for this submission
(See page 3 of guidance)

300 words maximum

2. What is the health condition and how does it affect the day-to-day lives of patients and their carers?
(See page 4 of guidance)

500 words maximum

3. How is the health condition currently diagnosed and/or treated?
(See page 4 of guidance)

500 words maximum

4. What do patients and carers expect from the health technology?
(See page 5 of guidance)

500 words maximum

5. What difference did the health technology make to the lives of patients that have had it? *(Leave blank if you didn't make contact with anyone who had experience of the health technology.)*
(See page 5 of guidance)

500 words maximum

6. Additional information you believe would be helpful for HTW to consider.
(See page 6 of guidance)

300 words maximum

7. Summarise the key points of your submission in up to 5 statements.
When we present your submission, we will present these first.
(See page 6 of guidance)

8. Please give us details of anyone outside your group that had a role in preparing your submission.
(See page 6 of guidance)

100 words maximum

9. Do you consent for your group to be named in the HTW reports?
(See page 6 of guidance)

Yes

No

10. Have you completed the Declaration of Interest form?

(See page 6 of guidance)

Yes

Thank you for completing this submission. If we have any queries, we will contact you for clarification. Your submission will be considered by the HTW team and will be shared with Committee members to inform the development of guidance for this technology. We will provide you with feedback on your submission and you will receive notification of the appraisal outcome and associated documents when they are published.

Please forward your submission and Declaration of Interest form to healthtechnology@wales.nhs.uk or via post:
